

Dallas Farmers Market
2015 Rules and Regulations

DIRECTOR'S LETTER

We would like to welcome you to the Dallas Farmers Market (DFM)- The Shed. We dedicate our work to provide a well-managed farmers market with ongoing marketing for local farmers, ranchers, and food artisans to sell directly to the public. In planning with the DFM team, GROW North Texas, and partners, our focus is to ensure fair and consistent management to enhance the vendor and customer experience. Therefore, improvements are a combination of increased diversity and uniqueness of vendors, focus on vendors that grow or produce food, clearly communicated processes, and an emphasis on a sustainable farmers market.

Read through these Rules and Regulations, so you thoroughly understand what commitment you are making as an approved vendor with the DFM-The Shed. If you have questions after reading this manual, email or call and we can discuss.
