How did you hear about our camps?

Camps are contingent upon a minimum of 5 children per session. Dallas Farmers Market reserves the right to cancel a camp at any time up until one week prior to the start of the camp. All participants must be completely toilet trained. This means requiring no assistance in the restroom and being fully able to manage their clothing in the restroom. If your child is still wearing pull-up style diapers, he/she is not completely toilet trained. As part of our programming, Dallas Farmers Market uses photography for publicity purposes. We would like your permission to photograph/film your camper for inclusion in our publications, website & other publicity materials. The image will be used for the designated purpose of promoting Dallas Farmers Market's mission.
